RE: BOX ELDER DIST.

Dear Madam:

I am today in receipt of a letter from my representative Mr. Henry Hamming, living on Clear Creek in Box Elder County, to the effect that he expected to investigate the conditions you complained of relative to the Security Pipeline Co. at Grouse Creek, not later than July 10th. I take it from this letter, he has now been over the proposition and I hope he has been able to make arrangements whereby the condition has been remedied. No doubt, I shall receive his report by the end of this week.

Yours very truly,

T. H. Humpherys,
STATE ENGINEER.
